

Homosexuality: Mission Accomplished

Fifty years ago, homosexuality in the U.S. was considered wrong. Today it is not considered wrong at all. Homosexual couples have all the same rights as heterosexual couples. They are allowed to marry and raise children together. The homosexual community has done an outstanding job of convincing the American public that homosexuality is good. How did they accomplish their mission so effectively and quickly?

The media was one of their strongest tools. Put a homosexual in every T.V. show and movie. Make them cute, funny, harmless, and nice. Make them the victim. Make any character who opposes homosexuality mean, ugly, hateful, judgmental, and a religious fanatic. Mission accomplished!

Another effective tool the homosexual community had to convince the American public that there is nothing wrong with homosexuality is people's ignorance of God and His Word—or the blatant rejection of God and His Word altogether. Tell people that God does not hate homosexuality. Tell people that God's Word does not condemn homosexuality. People who do not know God or His Word will buy it. Mission accomplished!

Yet another effective tool to convince the public that homosexuality is good is DNA. Tell people that homosexuals are born that way. Their genetic makeup forces them to be homosexual. They have no free will whatsoever when it comes to deciding what gender to have sex with. And the public ate that one up too. Mission accomplished!

Finally, another effective tool used to convince America as to the goodness of homosexuality is to really push diversity and acceptance. They extend ethnic and cultural diversity and acceptance into the arena of moral issues. Love all races, all cultures, oh, and all sexual activity. Mission accomplished!

Those who believe in God and His Word should firmly oppose homosexuality. God directly addresses homosexuality in His Word:

Leviticus 18:22-23

“You shall not lie with a male as with a woman. It is an abomination. Nor shall you mate with any animal, to defile yourself with it. Nor shall any woman stand before any animal to mate with it. It is perversion.” Wow! Homosexuality and bestiality discussed together here. Do you really believe God is pleased with a man having sex with another man or a woman having sex with another woman?

Leviticus 20:12-16

“If a man lies with his daughter-in-law, both of them shall surely be put to death. They have committed perversion. Their blood shall be upon them. **If a man lies with a male as he lies with a woman, both of them have committed an abomination. They shall surely be put to death. Their blood shall be upon them.** If a man marries a woman and her mother, it is wickedness. They shall be burned with fire, both he and they, that there may be no wickedness among you. If a man mates with an animal, he shall surely be put to death, and you shall kill the animal. If a woman approaches any animal and mates with it you shall kill the woman and the animal. They shall surely be put to death. Their blood shall be upon them.” Again, I ask you, how can you honestly say that God does not think that homosexuality is wrong?

Yes, these Scriptures are from the Old Testament and we do not live under the Law of Moses today but we know God does not change. What was abominable and perverted under the Old Testament certainly would also be today. And homosexuality is most certainly condemned in the New Testament too.

Romans 1:26-32

“For this reason God gave them up to vile passions. **For even their women exchanged the natural use for what is against nature. Likewise also the men, leaving the natural use of the woman, burned in their lust for one another, men with men committing what is shameful, and receiving in themselves the penalty of their error which was due.** And even as they did not like to retain God in their knowledge, God gave them over to a debased mind, to do those things which are not fitting; being filled with all unrighteousness, sexual immorality, wickedness, covetousness, maliciousness; full of envy, murder, strife, deceit, evil-mindedness; they are whisperers, backbiters, haters of God, violent, proud, boasters, inventors of evil things, disobedient to parents, undiscerning, untrustworthy, unloving, unforgiving, unmerciful; who, knowing the righteous judgment of God, that those who practice such things are deserving of death, not only do the same but also approve of those who practice them.” Yes, God still hates homosexuality in the New Testament too.

For anyone who claims to believe in God and His Word to say homosexuality is not a blatant sin against God is either completely ignorant of God and His Word or really does not believe in God and His Word. For those who do not believe in God or His Word, then, of course, homosexuality being right or wrong is simply a matter of opinion.

I really don't know what else to say about homosexuality. A man having sex with another man is unnatural, an abomination, a sin, fornication, sodomy, and will keep a precious soul out of Heaven if left unrepented. Homosexuality is destroying God's plan for the family. God wants one man married to one woman for life so their children can have one father and one mother. Anyone who denies that our nation has suffered greatly from broken and dysfunctional families is living in complete denial.
